

HOTEL PLUS PROGRAM

In cooperation with hotel chains and leading independent properties we have a preferred rate plans for corporate and leisure travel. Our premier hotel marketing program is affiliated with over 19,000 members. The scope and influence of that member audience is manifested in its over 3 million room night bookings annually.

The Hotel Plus Program is a great enhancement for the Condo Card program due to the fact that it provides hotel rooms in area where condos are not typically found. Business travelers needing lodging in a metropolitan city can that cannot find an available condo have the option to use the HPP to find a hotel room. Another great feature is that the minimum night stay is 2 to 3 nights instead of the condo 7 night stay.

WHAT THE HOTEL PLUS CARD DOES:

- 1) Offers over **83,000** properties world-wide
- 2) Guarantees Lowest rate per night (based on availability)
- 3) Requires a Minimum Stay – this can vary by destination and property
- 4) Some properties will require pre-payment in full
- 5) Some Hotels will be non-refundable/non-changeable
- 6) All reservations are Non-transferable (no name changes allowed)
- 7) All properties require a valid Credit Card in the actual arriving guest name.

Our program guarantees success for travelers of all types when they are looking for the best value possible.

Our rates are available to members, associations and their corporate and leisure clients. We continue to build our rapport with travel suppliers, specializing in hospitality.

- Additional wholesale inventory
- Ability to complete bookings faster by re-using stored repeat guest profile information
- Ability to book multiple rooms
- Ability to choose currency display preference
